Dr. Kuldip Tiwari,
Joint Proposalist Electrohomeopathy Committee (India)
E-10/476, 33 Feet Road,
Nehru Vihar, Delhi-110094.

Subject: Proposal for recognition of Electrohomeopathy - re-reading.

Sir,

Please refer to your letter No.27/JPEHCI/OCT/21, dated 25.10.2021, forwarding therewith **Part-I** of additional information / documents relating to your proposal for recognition of Electrohomeopathy as a system of medicine. While submitting the same, you had requested for time for submission of **Part-II** of additional information. In the last meeting, held on 11.01.2021, IDC had advised the joint body that they should work together, taking along all in the trade in the country, so that they could compile common solid and valid data/documents for submission to the Inter-Departmental Committee for its further review. IDC further observed that while it was agreed that they would require months to complete the exercise, however, they were advised to complete the job as early as possible.

2. However, even after a lapse of more-than-six-months since submission of the Part-I material by you, no further information / documents have yet been received in this Department. As much time has elapsed after the last meeting, next meeting of the committee is being contemplated to be held in the very near future. You are, therefore, requested to intimate the status of Part-II of the information for which you had requested for time.

Yours faithfully,

Digitally Signed by Daulat

Ram Meena
